

MY TURN: 3 ACTIONS

When unsure, use this order:

1

RAGE

1 ACTION

Spend 1 action. Roll **1d4 Fury** and keep it.

2

MOVE

1 ACTION

Move up to your Speed. Bloodlust can give free movement.

3

ATTACK

1 ACTION

Swing the Axe of Snaggletooth: **3d4 + STR + Fury Dice**.

KEEP RAGING

CHECK ONCE EACH ROUND

Rage ends if you leave combat, drop to 0 HP, or go a whole round without **attacking or Raging**.

If you start your turn already Raging: roll **1 free Fury Die**.

RAGE

1 ACTION | ONCE EACH TURN

Roll a **d4**. Keep it beside your sheet.

Add **every kept Fury Die** to every STR attack.

Maximum Fury Dice = your **KEY** stat.

THAT ALL YOU GOT?!

WHEN AN ATTACK HITS YOU | SPEND FURY

For each Fury Die spent, reduce damage by **STR + DEX**.

Stone's Resilience: also add that die's rolled number.

BLOODLUST

ON YOUR TURN | SPEND FURY

For each Fury Die spent, move **DEX spaces for free**.

MOUNTAINOUS TENACITY

WHEN YOU SPEND HIT DICE

For every **10 HP** you would recover, you may heal **1 Wound** instead.

ONE WITH THE ANCIENTS

ONCE PER SAFE REST

Ask your ancestors which direction or choice is **most dangerous or challenging**.

ANIMAL FRIEND

BACKGROUND UTILITY | 1 ACTION

Use calming magic: gain **advantage** to soothe an animal's anger or fear.
Once it is friendly, share **simple thoughts or feelings** with an animal you can see.
This does not control the animal. Treat it kindly and ask, do not command.

STRENGTH OF STONE

HALF-GIANT | ONCE PER ENCOUNTER

Force an enemy to **reroll a critical hit** against you.
You are **Large** and have **+2 Might**.

TRUE STRIKE WAND

1 ACTION | REACH 2

Choose a creature. It has **advantage on its next attack** before the end of its next turn.
Recharge note: Rubius recharged it by burying it overnight at a battlefield.

AXE OF SNAGGLETOOTH

BATTLEAXE | CURRENT TABLE RULE

Damage: **3d4 + STR + Fury Dice**.
The axe speaks privately and returns to Rubius. Track **1 Shadow Point**.
Known warning: it is comforting, intelligent, and may be dangerous.
