

LEVEL 3 ORC BERSERKER - PATH OF THE MOUNTAINHEART

PERSONAL MOTIVATION

Keep Frostvein fed, equipped, and moving through winter; demand concrete commitments.

TRIBAL MOTIVATION

Avoid a war that empties the stores. Support only a pact backed by routes, supplies, labor, and mutual defense.

OPEN WITH: Honor does not fill a storehouse. What arrives before the first deep snow?

↗ ATTACK

RAGE

1 ACTION - 1/TURN

- Roll a d4 Fury Die and set it aside.
- Add every Fury Die to every STR attack.
- Maximum 2 Fury Dice.

INTENSIFYING FURY

AT THE START OF YOUR TURN WHILE ALREADY RAGING

- Gain 1 Fury Die for free.

RAGE ENDS

CHECK AT THE END OF EACH ROUND

- It ends if you leave combat, drop to 0 HP, or spend a round without attacking or Raging.

DYING

AT 0 HP

- Normally only 1 action.
- If you attack, make a DC 10 STR save afterward or gain a Wound.

+ SUPPORT

MOUNTAINOUS TENACITY

WHEN YOU SPEND HIT DICE

- For every 10 HP you would recover, you may heal 1 Wound instead.

🛡 DEFENSE

THAT ALL YOU GOT?!

TRIGGER: YOU ARE ATTACKED - EXPEND FURY DICE

- Each spent die reduces damage by 4 + that die's rolled value.
- Each d4 therefore prevents 5-8 damage.

FURY & ARMOR

WHEN YOU DAMAGE A FOE

- Fury Dice remain dice when checking monster Armor.
- If replacing a maxed Fury Die, choose which die to keep.

FEARLESS

PASSIVE

- Immune to Frightened.
- +1 Initiative and -1 Armor are already on the sheet.

ORC - RELENTLESS

TRIGGER: WOULD DROP TO 0 HP - 1/SAFE REST

- Set HP to level (3) instead.

→ MOVEMENT

BLOODLUST

ON YOUR TURN - EXPEND ONE OR MORE FURY DICE

- Move 2 spaces for free per die spent.

🎯 PASSIVE / UTILITY

TURN PLAN

DO THESE IN ORDER

- Rescue: Might +6 makes you the rope anchor and heavy lifter.
- First turn: Rage, move, attack.
- Later turns: gain a Fury Die free; use actions to attack.
- Defense: save Fury Dice to reduce a major hit by 5-8 each.
- Negotiation: ask exactly what each side will deliver before winter.

ONE WITH THE ANCIENTS

1/SAFE REST

- Ask which path is most dangerous or challenging.
