

PERSONAL MOTIVATION

Survive, earn protection, and make the Black Fang pay for leaving you under the ice.

TRIBAL MOTIVATION

Win kobolds safe territory and respect; do not trade one mountain ruler for another.

OPEN WITH: The giant who sat on me. This is either very good luck or very bad luck.

 ATTACK**VICIOUS OPPORTUNIST**

TRIGGER: MELEE HIT AGAINST A DISTRACTED TARGET - 1/TURN

- Change the Primary Die to any result you choose.
- Choosing its maximum makes the hit a crit.

DISTRACTED

CHECK THIS BEFORE YOU ATTACK

- A target is Distracted if adjacent to or Taunted by your ally, or unable to see you.

SNEAK ATTACK

TRIGGER: YOU CRIT - 1/TURN

- Deal +1d8 damage. It is added to the attack, not a separate attack.

LOW BLOW

WHEN YOU SNEAK ATTACK - COST: 2 EXTRA ACTIONS

- Target makes a STR save, DC 12.
- Fail: Incapacitated next turn.
- Save or fail: Taunted by you until you drop to 0 HP.

 DEFENSE**WILY**

TRIGGER: NON-CRITICAL ATTACK AGAINST YOU - 1/ENCOUNTER

- Force the attacker to reroll.
- +3 Influence with friendly characters; advantage on dragon-related checks.

WILY UNDERDOG

TRIGGER: FAILED STR ATTACK, SAVE, OR MIGHT CHECK - 1/SAFE REST

- Reroll and use another stat instead.

 MOVEMENT**HIDING**

1 ACTION - STEALTH DC 10 - NEED COVER

- Full cover succeeds automatically.
- Hiding is not invisibility: what enemies can see still matters.

 PASSIVE / UTILITY**TURN PLAN**

DO THESE IN ORDER

- Travel: lead with Stealth +4, Finesse +3, or Examination +3.
- Combat: stay beside an ally's target so it is Distracted.
- Hit in melee: use Vicious Opportunist to turn the Primary Die into a crit.
- Crit: add Sneak Attack +1d8.
- Danger: Hide or Move free; use Wily if a dangerous attack hits you.

CHEAT

FREE MOVE OR HIDE 1/ROUND - 1/Safe Rest SKILL TRICK

- Set one skill check to 12.
- Initiative below 10 becomes 10.
- Advantage at games, competitions, and wagers-if you are not caught.

SWEET TALK

WHEN YOU FIRST MEET AN NPC

- Advantage on Influence until you fail or meet again.
- Then disadvantage with them until you repair the relationship.

KOBOLD & LANGUAGES

SMALL - COMMON, DRACONIC, ORCISH, DWARVISH

- Thieves' Cant is your secret language of rogues and scoundrels.
