MY FAVORED PET

Alder • Lesser Shadow Invocation

One shadow minion can begrudgingly tolerate you outside combat. It can, very creepily, perform any menial task a below-average commoner could.

PILFERED POWER

Alder • Level 3 Shadowmancer Ability

Steal power from your Patron to cast tiered spells at the highest tier unlocked. You may do this DEX times before your Patron notices. Each excess use costs half your maximum HP. The limit resets when you commune during a Safe Rest.
